

London Career & Education Fair Signup Now Available

Reservations for the Career Fair and Education Fair are now being accepted for the 128th AES Convention in London, May 22-25, 2010.

The AES Student Delegate Assembly is inviting all of the educational institutions to participate in the 128th AES Educational Fair. This is an opportunity for educational institutions to meet potential students and inform the audio community about their programs and activities.

In addition, a Career/Job Fair will take place at the upcoming London convention. The AES Student Delegate Assembly is inviting all companies within the audio industry to participate.

All attendees of the convention, students and professionals alike, are welcome to come talk with representatives from the companies and find out more about job and internship opportunities in the audio industry.
